April 17, 2020

Dear Lisbon Parents and Guardians,

Today, Governor Kim Reynolds announced that all schools in Iowa will remain closed through the end of the school year to help prevent the further spread of COVID-19.

This announcement will continue to affect all Lisbon Community Schools programming, including before-and after-school activities, all athletic and extracurricular practices and competitions, and all weekend events. It is our hope that we will be able to reschedule prom and we will continue to look at various options for graduation, but we do not yet know how these events will look.

We are also looking at options for families to pick up any items they may have left at school prior to spring break. Once we decide on what this process will look like, we will communicate that plan with you.

We know that this decision has caused a great deal of concern and disappointment for our students, staff, and families. The pandemic arrived quickly, and when we first were directed to close our school buildings in March, we did not realize it would be the last time we would see our students in person this school year. Please know that we share in your disappointment.

Per our district calendar, the last day of school for students is Friday, May 22. We will continue with online learning until that date, just as we have over this last week. We encourage all families to keep their students engaged in these activities to ensure learning continues to take place through the end of the school year.

Once again, thank you for your patience, understanding, and flexibility during this unprecedented time. We will get through this together. We ask that you continue to check emails for updates. Please continue to stay safe, practice social distancing, and remain at home as much as possible.

Sincerely,

Pat Hocking
Lisbon CSD Superintendent
